ANSWER: YES! YES!

QUESTION: If there is going to be a 1979 Cincinnati Criterium, is it going to be successful?

ANSWER: YES! YES!

QUESTION: If the Cincinnati Criterium is going to be successful, then does the club really need my support (assistance) the day of the race, April 22?

ANSWER: YES! YES!

QUESTION: Is it true that Course Marshall Dave Gecks is going to pay each person that helps him the day of the race \$99?

ANSWER: YES! YES!

STATEMENT: Geez that Dave Gecks is one swell guy!

Dave Gecks wishes for us to inform you potential workers that there are only a few of the really good paying jobs left; but quite a few of the lesser paying positions still remain!

At the last meeting it was voted overwhelmingly to have the 1979 Cincinnati Criterium. The prize list was voted to remain the same as last year although the values have been redistributed slightly. The race will be held the 22 of April, all other important information concerning times of events etc. can be found on the enclosed applications.

As usual the club really needs your support the day of the race; this cannot be emphasized enough! We need people to help out all day or just part of the day. Most of the work throughout the day involves lap counting, picking finishes, marshalling the course etc. A lot of help is needed in keeping people, dogs and ducks from wandering onto the course and causing an accident. Anyone who feels they are capable of helping out in some respect with handling the above mentioned responsibilities and more should contact DAVE GECKS at 861-6107, or if you can't get him Jon Spicker, 922-7354.

CLUB MEMBERSHIP

We got a really good response to the last newsletter from those people interested in staying on the QCW mailing list free-of-charge. There are still some people we're sure want to stay in contact with the club but have not sent in their application blanks, please send them in as soon as possible (ASAP). We sent newsletters to some people that did not send in their apps. but this is absolutely the last time. We'd like to thank those people that sent a little (and in some cases more than a little) money with their membership this will really help to defray the mailing and printing costs.

TUESDAY NIGHT CLUB TIME TRIAL SERIES

The Brower Road Tuesday Night Club Time Trial Series will start the first Tuesday night after the daylight savings time change, which is just a couple weeks away! The TT's will start on time, that being 6:45p.m. And now the best news: THE MARK VINCENT is going to do the timing. Not only is Mark an excellent timer but he does it for free! If anyone has any questions as to what a time trial is, or where they take place call Jon Spicker.
