

Queen City Wheelmen

Cincinnati, Ohio

March 26, 1982

The season is upon us; time for tune-ups and training rides! The weekly time trial series starts TUESDAY, APRIL 27th at 6:30 p.m. Please be prompt so that all riders can finish in daylight. Anyone who wishes specific directions, please call Greg at 244-7164 in the evenings.

For all those interested, enthusiastic riders, Frederick Mause will be leading a ride on Saturdays at 12:00 noon from Hyde Park Square. If you need to call, you can call Frederick at 221-5350.

If you want a different pace, route or departure time, the following individuals are riding regularly every weekend. They alternate east/west routes and chose various meeting places such as the shop, Hyde Park Square, and Van Leunen's: Dan Mocsny, Tim Weber, Maggie Watanabe, Jon Spicker, John Montag, Ellen Lady. The ex-officio ride leaders will be glad to have your company.

TOSRV closed out in record time this year. The quota was reached February 22. If you're one of the lucky few from this area that applied in time, please car pool when you can. Or if you expect to be in shape, try the 400. Ellen Lady is our liasion with the CCC who sponsors this trip.

Racing. You've probably already guessed the bad news. There's not going to be a Burnet Woods Criterium in April this year. A number of factors went into this decision among which:

- 1) Iffy weather in April.
- 2) Crowded Calendar - Our date was waived to a Kentucky Club.
- 3) Cost and lack of major sponsor.
- 4) Trend toward fewer USCF riders in club.
- 5) Better riders already committed to out-of-town spring training.

We hope that a midsummer race will be more realistic. Campus Cyclery has offered to underwrite 50% of the cost of such a race. We need a competent RACE DIRECTOR to pick a date and hammer out the details. If you are serious about taking on the responsibility (with assistance, of course) please contact Greg Hanfbauer, 244-7164. Sure miss Jack Schmidt this time of year.

If you've heard rummings of the QCW promoting a Pro-Am race in conjunction with Oktoberfest then it's time to set things straight. Greg, Dan & Kent had some preliminary discussion with a public relations firm representing a major brewery and its local distributor. The date is simply not available even though the \$'s still deem to be. A more likely date would be a Sunday in August with a Pro-Am feature race and the rest of the day devoted to novice racing. Who wants to give this a shot? Again, call Greg if you are serious about taking on this kind of responsibility.

More on local racing. UNION TERMINAL NATIONAL PRESTIGE CLASSIC. Race forms attached. For further information, you can contact Tim Burke, 321-0882.

UNITED STATES CYCLING FEDERATION, INC.

We would like to sponsor a couple of 25-mile time trials sometime this season. The tentative location is an out-and-back course on Route 8. What we need is someone to make it happen. Volunteers. Yeah, you guessed it, call Greg, 244-7164.

Jerseys. At last the club jerseys are in and they are nice. If you ordered one, pick it up at Campus Cyclery. Dan had a good explanation for the delay and cost increase. Space limitations prohibit repeating it here. Anyway, if you're unhappy with the present deal, we'll work out some way to refund your deposit. Robin Bruehlheide was handling jersey arrangements the last we heard.

Welcome to all new members..... Old members, we need your renewal dues to keep things going and make more things happen this year.
